

CAP ROCKET PROGRAM

The Civil Air Patrol Cadet Program is dedicated to developing leadership in our nation's youth through service to the community and an interest in aerospace. The CAP rocket program is an integral part of that mission.

WARNING

Utmost care must be taken when engaging in any rocketry activity. Refer to safety material published by CAP, NAR and Estes before conducting any rocket launch.

Materials Needed

2 sheets heavy card stock
modeling clay
12 in elastic (1/8 in wide)
streamer or parachute
glue
Estes rocket engine
Launching equipment
